FCC Curriculum Pathway

The Curriculum Pathway provides full-time students with a suggested guide for completing an Associate degree in two years (four semesters). Students who choose to take less than 15 credits per semester or who require Developmental English and/or Math will need additional semesters to complete their degrees. Taking classes in the Summer and/or January terms allow students to catch up and stay on target. It is recommended all students meet with an Advisor each semester to carefully select and sequence courses based on their specific interests and needs. Using the Curriculum Pathway along with the PeopleSoft Degree Plan allows students to track their progress towards graduation.

Students must complete their credit English and Mathematics within the first 24 credits. General Education Electives can be taken in the semester that works best for the student's schedule. Students are strongly recommended to consult an FCC advisor and to use ARTSYS, the Maryland Articulation System, www.artsys.usmd.edu to select elective courses needed for transfer based on their intended major at their four-year college/university.

Developmental courses must be completed prior to enrolling into college-level courses in the major. See an advisor for further information, if needed.

- Reading I: EN51 or ESL70
- Reading II: EN52 or ESL72 Writing I: EN50 or ESL71
 - Writing II: EN50A or EN61 or ESL73 Math: MA80, MA81, MA81B, MA82 or MA85
