TUITION & FEES

Our College is dedicated to providing quality education, superior resources, and affordable tuition. FCC tuition and fees for a full-time (12 credit) in-county student amount to approximately \$3,700 per year. By comparison, the College Board reports the national average for tuition and fees exceeds \$9,000 at public four-year colleges and averages \$31,000 at private schools. With high academic standards and affordable tuition rates, FCC is a wise choice for higher education.

Academic Assessment and Placement Policy and Procedures

I. Philosophy and Scope

Frederick Community College ("FCC" or the "College") is committed to supporting student success by ensuring appropriate course placement using a series of computer-based assessment tests that measure individuals' reading, writing, and math skills. - C. If there has been a change of address that effects residency, the student will be notified by email and tuition will be adjusted for the following semester as follows:
 1. A student moving to a higher tuition rate based on their residency will have their residency automatically changed to reflect their new residency status.

The regulations were transferred to the Department of Education when it was established and codified in Part 99 of Title 34 of the Code of Federal Regulations.

The purpose of FERPA is to afford certain rights to students concerning their educational records. FERPA applies to all schools that receive funding under most programs administered by the Secretary of Education. Most postsecondary institutions, both public and private, generally receive such funding and must, therefore, comply with FERPA.

FERPA applies to all education records maintained by a postsecondary institution, or by any party acting for the institution, which are directly related to the student. These include, but are not limited to, assessment test scores, academic standing, rosters, class schedule, or any information that would make the student's identification easily traceable. FCC may release directory information, which includes student's name, dates of attendance, and enrollment status—see the FCC catalog for a complete list.

Students wishing to restrict directory information or grant additional access must contact Registration and Records (in writing) with their request. There is no expiration date for these access exceptions. Contact Registration and Records for additional information.

BOOKSTORE

The bookstore is located at the main entrance of the Student Center, Building H.

For the most current information on Bookstore hours, buyback and textbook requirements, please visit us at bookstore.frederick.edu.

DINING SERVICES

Dining Services manages the Cougar Grille, Smooth Joe's, and College catering services, and oversees College vending.

FCC meal cards may be used at the Cougar Grille and Smooth Joe's. Purchase a meal card at the Bookstore, the Cougar Grille, Smooth Joe's, or at frederick.edu/dining. Eligible students may purchase meal cards using financial aid (certain restrictions apply). Meal cards funded by financial aid must be purchased at the Bookstore during the first two weeks of the semester.

Visit frederick.edu/dining for hours and additional information. Contact Dining Services at 301.624.2738 or diningservices@frederick.edu.

No Cost / Low Cost Textbooks

Within this schedule, if a course has this icon, it means some or all sections of the course utilize textbook materials for less than \$40 and/or free Open Educational Resources. For the textbooks or materials required for the course, please check

bookstore.frederick.edu. Certain no/low cost textbook courses (e.g., science labs, art studio classes) have textbooks available for less than \$40 but may require purchase of additional course materials and supplies. FCC is committed to making college more affordable with more faculty adopting lower cost textbook options.

General Education Courses

This symbol indicates a general education course.

The general education CORE is designed to introduce undergraduates to the fundamental knowledge, skills and values which are essential to the study of academic disciplines, to the pursuit of life-long learning and to the development of educated members of the community and the world.

Cultural Competence Requirement

Developing cultural competence is essential for living and working in a diverse democratic society. As part of the College degree requirements, students must complete a class that is designated a cultural competence course. This symbol indicates a course that will fulfill the cultural competence requirement.

Official FCC Transcripts for Undergraduate/Credit Classes

Registration & Records is pleased to announce a convenient, expedited transcript service for current and former students. Through a partnership with Parchment, students can order their official transcripts online to be sent electronically or through the mail (USPS).

All students (both current and former students) will use the FCC Parchment Services to request official transcripts. Parchment is an electronic transcript ordering service to process electronic transcript requests. Once you've created an account with Parchment, you can access your account at any time to request additional transcripts or view and track your transcript orders.

Login to Parchment – Through a simple, secure registration system, current students and alumni, set up an account (new users) or login to Parchment (returning users). Students pay \$5.00 for electronic delivery per transcript and \$7.50 for transcripts sent through the mail. Students can expect transcripts requested through Parchment to be processed within 24 hours. Student who are waiting for grades or for degree/certificates to be awarded should view their unofficial transcript in PeopleSoft before placing an order. No refunds will be issued for orders requested prior to the posting of grades/diplomas/certificates/LORs.

Cultural Competence Requirement

Developing cultural competence is essential for living and working in a diverse democratic society. As part of the College degree requirements, students must complete a class that is designated a cultural competence course. Below is a list of those courses that will fulfill the cultural competence requirement.

ANTH 101 - Introduction to Anthropology
ARTT 100 - Introduction to the Creative Arts
ARTT 103 - The History of Art: Non-Western
ARTT 104 - The History of Art: Prehistoric to Early Renaissance

Course Options | Summer 2021

FCC is working to increase the number of in-person classes while continuing to comply with public health and safety standards. Classes will be offered using the following learning formats:

Online Courses (ONL)

The course is entirely online.

The class does not meet at a scheduled time.

Students will meet all expected deadlines and expectations outlined by the professor.

Students complete work on their own time.

Structured Remote Courses (SR)*

The course is entirely online but has scheduled class times.

Scheduled class times will be used for real-time virtual sessions, which may include virtual lectures, group discussion, or other class activities.

Real-time virtual sessions will occur a minimum of once per week during scheduled class times. Scheduled real-time virtual session dates will be designated on the syllabus.

Students are expected to attend real-time virtual sessions. However, these sessions will be recorded and made available for students unable to attend.

If graded assessments are provided during a real-time virtual session, students not in attendance will be provided an opportunity to make up work or be provided with a comparable alternative assessment without penalty.

Hybrid Remote Courses (HYR)*

The course requires in-person and virtual participation.

In addition to participating in real-time virtual sessions, students will be expected to come to main campus, clinical sites, or the Monroe Center for in-person class sessions during the scheduled time. In-person and real-time virtual session meeting dates will be designated on the syllabus.

Students are expected to attend all in-person and real-time virtual sessions. Students unable to commit to regular attendance should consider courses designated as Online (ONL) and/or Structured Remote (SR).

Please contact your advisor for help or emailadvising@frederick.edu to answer any questions.

*** IMPORTANT NOTE FOR STRUCTURED REMOTE (SR) AND HYBRID REMOTE (HYR) COURSES:** When registering for classes, please consider the **course format, meeting dates and times, and location(s)** for in person participation, as well as requirements for real-time virtual instruction. Students must allow appropriate transition times between classes to account for different meeting requirements and/or locations.

There will be limited physical access to buildings, classrooms, labs, and College offices. Specific protocols will be in place to ensure the safety of students, employees, and community members. Guidelines and instructions for physical access will be provided to students and community members and made available at frederick.edu once they are finalized. Comprehensive student resources remain available remotely to deliver College services to students.

ONLINE, STRUCTURED REMOTE & HYBRID REMOTE COURSES

Please read the following requirements before registering for an online, structured remote, or hybrid remote course.

Frederick Community College offers three types of courses over the Internet: online, structured remote, and hybrid remote courses. Hybrid remote courses require the student to attend some class sessions on campus; online and structured remote courses do not. Online courses may require a proctored assessment. Any course section with the letters "HYR" indicates a hybrid remote course. The mouse icon (🖱️) indicates online courses.

Online, structured remote, and hybrid remote courses are taught on Blackboard™ and require that students:

- Have Internet access through broadband connection or Wi-Fi (wireless)
- Have access to a Windows, Mac, or Linux computer
- Have Windows 7 or higher, Mac OS X, or Linux with Ubuntu 14 or higher
- Have Internet Explorer 8 or higher, or the most recent version of Mozilla Firefox or Google Chrome, all with the most recent Java and Flash updates applied
- Establish a myFCC e-mail account;
- Have basic computer skills in word processing, e-mail procedures, web-browsing, and handling features such as pop-up blockers;
- Are responsible for maintaining appropriate security and virus protection when using the student's own personal computer(s).

Students should expect to spend as much time on an Internet course as they would on a traditional on-campus course. Students should be self-motivated to handle the independent nature of learning that occurs in online courses.

Access to Blackboard: <http://frederick.blackboard.com>

User name Wxxxxxxx (where xxxxxx is the seven digit student ID number); Password is the same as the PeopleSoft and e-mail password.

Blackboard Course Requirements

All course sections require access to Blackboard at frederick.blackboard.com. Students are expected to be able to access Blackboard via the internet using personal, public, or appropriate college-available computers. Blackboard access is also required to complete course evaluations.

Textbooks

Purchase textbooks from the FCC Bookstore at bookstore.frederick.edu. Make sure you select books for the correct section of the course as they may differ by section. Some instructors require the corresponding access code for web resources.

Email Advising: emailadvising@frederick.edu

Email Advising is available to all current FCC students using their <http://myFCC.frederick.edu> email accounts. Please provide your full name and Student ID number. Typical response time is 24-48 hours depending on the information requested.

DEFINITIONS OF LEARNING FORMATS

Online Courses (ONL)

The course is conducted entirely online. There are no required real-time virtual sessions. Online courses are not self-paced, and students should be prepared to meet the deadlines as listed in the syllabus and the course.

Structured Remote Courses (SR)

The course is conducted entirely online. The class will have real-time virtual sessions that meet at the scheduled class times a minimum of once per week. Scheduled real-time virtual session dates will be designated on the syllabus. Students are expected to attend real-time virtual sessions, however, the sessions will be recorded and made available for students unable to attend. The student will be unable to enroll in multiple courses with overlapping meeting times. Students should be prepared to meet the deadlines as listed in the syllabus and the course.

When signing up for a mixture of structured remote and hybrid remote classes, please be sure to leave sufficient time between classes to move between campus and an appropriate workspace for your structured remote session. It is generally not advised to schedule structured remote and hybrid remote classes back-to-back.

Hybrid Remote Courses (HYR)

The course is primarily conducted online and there will be periodic on-campus requirements during the scheduled class times. All on-campus requirements follow current FCC physical distancing protocols. The class may also have real-time virtual sessions that meet at the scheduled class times. Scheduled face to face and real-time virtual session meeting dates will be designated on the syllabus.
