

Grant-Funded Childcare

Many students, who are also parents, must balance the costs of education and child care. FCC students will be able to apply for funding for child care services provided by the Carl and Norma Miller Children's Center on campus. Coming soon, FCC will be working to establish partnerships with off-campus qualifying providers to meet the growing child care needs of its students. Eligible students could receive a subsidy up to 75% of their total child care costs.
